

MyGrade – Online Grade Checking System for Parents

MyGrade is an online system that you can use over the Internet to check grades and reports.

A link for Parents and Guardians from mygrade.hurtwood.org will take you to the MyGrade system.

On Screen Instructions:

1 You will not be able to use this system until you have **Registered** and we have sent you your **unique** username and **password** to go with your **personal email address**. Once you have these, type in your personal email address and click **Login**

MyGrade

4 You will now be able to see the details for this student. Clicking on the links indicated with ">>" will display grade and report information as it becomes available.

5 To finish simply click **Sign Out** to return to the first page, then close the window.

Note: If you are the parent of more than one student you will need to login again with a different username and password.

**The data held in this system is confidential.
Please take care to keep your login details private.
Please do not pass on any confidential information.**
